

If you are a new Mobile App user (have never had our app in the past) and you have already enrolled and logged into our upgraded Online Banking System on 3/15/21:

STEP 1

Download the First Financial Mobile App from your device's App Store.

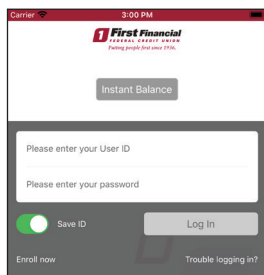

STEP 2

Launch the Mobile App on your device.

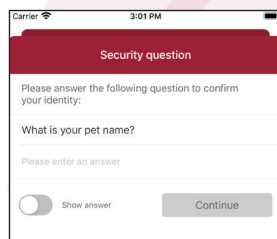

STEP 3

Login to the updated Mobile App with the same User ID and password you setup to login to our upgraded Online Banking system.

STEP 4

Answer one of your security questions.

STEP 5

Accept the Mobile App terms & conditions.

STEP 6

Start using our upgraded Mobile App!

STEP 1

Download the First Financial Mobile App from your device's App Store.

STEP 2

Launch the First Financial Mobile App on your device.

STEP 3

Click "Enroll Now."

STEP 4

You will be redirected to On Device Enrollment where you will need to enter the required registration information you are asked for on your device.

- Next you'll create your Mobile App User ID and password.
- Setup your security questions.
- Enter your profile information (email, phone number, address).
- Accept the Mobile App terms and conditions.

STEP 5

Once complete, you'll receive a successful message and will be redirected to the Mobile App main login page to login.

STEP 6

Enter your new User ID, password, and answer a security question.

STEP 7

Start using our upgraded Mobile App!
