- This is a personal computer. Register it.
- This is a public computer. Don't register it.

STEP 8

Provide an email address. An email address is required in order to access Online Banking. Then, click **Submit** to continue to your accounts.

You are now finished and ready to use Online Banking!

Additional Tips

- If you are a current Bill Pay user, you will need to enter your member number as your User ID and the last 4-digits of your Social Security number as your password. We suggest that you change your User ID once logged into Online Banking as a security precaution. To do so, click on the "Preference" tab, then "Login Security Credentials" and then "Change User ID" link on the right hand side of the page and follow the prompts.
- We recommend that you take note of your User ID and password and store them in a safe place.
- To enroll in E-Statements for your account, please click on the E-Statements menu at the top right within Online Banking and follow the prompts (this must be done securely within Online Banking).
